1. Let us consider now what mercy we have found  
This love and grace that flows so free and turned us all around  
And now what will we say? And now what will we do?  
How can we not share freely now this gift that broke our chains!
2. Let us remember how it was without the light  
When we all lived in dark and doubt before He gave us sight  
And now what will we say? And now what will we do?  
We cannot watch in silence now the stumbling of the blind!
3. Oh how it burns within, this knowledge in our hearts  
That we have found the only Way – We cannot keep it in  
So we will tell the world the news they need to hear  
That Jesus is the only way: Oh, let Him set your free!
4. We will not just stand by while countless thousands die  
Without the grace that gives us life, without the chance to choose  
Our neighbours and our friends; Our fam'ly all must know  
That there is hope for everyone in Jesus Christ the Lord!

*Yes, Jesus is the only way, the only hope for all!*
