1. What if choices in the end
all come down to Life or Death –
surely there's no doubting then
we'd choose life with every breath!
What if life is on the line
in the simplest choices made?
Will we build... or undermine?
Dig foundations.... dig our graves?
2. What if our prosperity
all comes down to how we share –
surely there's no question then
we'd all give all we could spare!
What if life is on the line
in the simplest choices made?
Will we share... or claim what's "mine"?
See the need.. or look away?
3. What if our integrity
all comes down to being true?
What we get is what we see,
What we say is what we do.
What if life is on the line
in the simplest choices made?
Will we stand... or will we hide?
Will we shine... or will we fade?
4. What if our identity
all comes down to us and we
more than it is you or me –
what then would our choices be?
What if hurting me, you bleed?
What if feeding you I grow?
What if love is all we need?
(If) we don't try, we'll never know.
