1. Our refuge and our shelter is
Our God in whom we trust
There's room enough for all of us
In shadow of God's wings
2. When life is full of fear and snare,
And frailty and disease
We yet may find God's precious peace
In shadow of Gods wings
3. When days are filled with hurt for us
And nights are filled with fear
We drop our worries, shed our tears
In shadow of Gods wings
4. When tens of thousands fall to war
And poverty and greed
with God we weep, with God we bleed
In shadow of God's wings
5. And we will join our hands and cry
And we will join our hands
And we will hold our hands up high
The shadow of God's wings
6. We join our hands and cry "no more"
Hold out our hands, cry "stop"
Together hold our hands up high
The shadow of God's wings
7. We join our hands, the burden shared
We journey hand in hand
We reach our hands in love out wide
The Shadow of God's wings
